Eats such as biscuits, sweets, etc to entertain the residents, especially when they don't have any visits from family and we try and indulge them somewhat

Not everyone may be aware that Park Care has a serious Corona Virus outbreak, amongst staff and residents. They have received medical advice from a member of our community who treats hospital patients with Covid-19

The acquisition of every single essential item listed for the affected residents and staff, are emphatically mandatory and need to be stretched considerably, and at the same time, serves to diminish the liability on Park Care's budget

Indispensable necessities

Soap for hand and body wash

Paper Towels for our hand wash regime

Yoghurt

Tissues

Fresh Fruits

Care Pack basics

Soap

Toilet paper

Snacks & drinks

Toothpaste

Shampoo

Aqueous cream

Vaseline

Deodorant

Razors

Socks, Beanies, Spencers

Packets of Biscuits or Sweets

Being a Non-Profit organization, Park Care does not have access to an endless supply of funding to ensure that stocks of necessary items, such as masks and other vital protective isolation provisions, will be enough in order to sustain us until the Covid-19 pandemic is over

(These are some of the monthly supplies given to 70 disadvantaged residents)

- Several residents are subsidized for transport, hospital and doctor's fees, medication, an escort for every resident going out for appointments, Funeral policies, and other imperative pay-outs
- Substantial supplies such as clothing items, shoes, pj's, undies, socks.....and other additional disbursements as and when required
- Subsidizing several frail vulnerable residents for monthly residential nursing care

Absolutely any contribution or donation which you are able to make towards our Covid Care Initiative and other daily/monthly operating expenses, would be most extremely treasured by all at Park Care, but most importantly, by the most susceptible and at risk of infection – our precious Frail and Fragile nursing care dependent Residents, and also the Personnel caring for them

If you wish to contribute towards our Covid Care Initiative or other nursing or social care needs –
Park Care Banking details are as follows:

Name: Park Care Centre
Bank: ABSA Bank
Account Number: 284 097 0089
Branch Code: 632 005
SWIFT Code: ABSAZAJJAJ

Please use the reference ie: Covid Care or other care preference, with your name and contact details, so that we can assure correct allocation of the donation and acknowledgment given to the correct person(s)

All engagement and support made towards our Covid Care Initiative will be most reverently honoured by all management and staff at Park Care, particularly the vulnerable and at risk of infection delicate frail fragile residents

We realize this makes our needs list running incessantly – BUT - these are our crucial needs during this prolonged period of isolation and lockdown

Your exclusive attentiveness to our appeal is notably remarkable, and a heart-felt thank you for your high regard to advance your significant contribution/donation in support of Park Care Centre

We are forever indebted for your graceful and generous support!

Friendly greetings
